RE: New York 13-18

Dear Mr. Helgeson:

We have reviewed New York's State Plan amendment transmittal number (TN) 13-18. For Targeted Case Management programs converting to health homes, effective February 14, 2013, this amendment will eliminate the proposed blended rate methodology and continue the full TCM rate for two years. In the third year, all payments will be made under the health home rate schedule.

This is to inform you that New York 13-18 is approved effective February 14, 2013. I have enclosed the approved State plan pages. If you have any questions, please call Jane Friedensohn at 212-616-2328.

Sincerely,

Mike Melendez
Associate Regional Administrator
